I was born and raised in a blue collar family in Johnstown, PA. My father is a retired steel worker. My mother is a retired homemaker and worked part time at various jobs to help support the family. They have been married for more than 55 years!

I look forward to serving Bensalem in the capacity of Auditor! I want the people of Bensalem to have a better understanding of how their money is being spent and to let them know if it is being spent properly!

Thank you and PLEASE vote in every election.
